FRIENDS & VOLUNTEERS

The Friends of the Library Book Sale will be July 9, in association with the Old Art Building's Artist Market.

BUILDING & GROUNDS

Lautner Irrigation has started the irrigation system and replaced several broken components. The pump at the river is damaged but continues to work so we will keep using it. The township is covering all costs for this system.

TECHNOLOGY

I am currently setting up an iPad with a Square system to start taking credit cards.

BUDGET INFORMATION:

Reports for June 2022 are attached with this report. With 25% of the FY elapsed, we have spent 25% of the budget.

MISCELLANEOUS

The four Leelanau County libraries will be sharing a table at the Parenting Communities Street Fair being held at the Connie Binsfeld building parking lot on July 16.

We have given out approximately 700 of the MDHHS COVID test kits. Many are going to residents that are having family and guests coming to their homes.
