PROGRAMS

The annual wreath making workshop was very popular this year. We had a morning and afternoon session with over 30 people at each. The Saving Old Growth Trees program was also very popular with almost 50 people attending. We will be holding the puzzle competition that was popular last year at the Leland Lodge on the 27th so we have the space to accept more teams.

FRIENDS & VOLUNTEERS

The Friends will have a puzzle and game sale on January 20, the week before we have our puzzle competition as a tie-in to both events.

BUILDING & GROUNDS

Cherri Van Zee has done a wonderful job decorating the Library, both inside and out, for the Holidays.

TECHNOLOGY

BUDGET INFORMATION:

Financial Reports for September 2023 are attached with this report. With 66% of the fiscal year elapsed we have spent 66% of the budget.

MISCELLANEOUS:

We have received a \$1,000 donation from St. Peter's Chapel which is the second year they have donated this amount. We have also received the \$3,000 annual donation from the Bruce and Kim Olson foundation. The first Teen Advisory Committee meeting went well we had 9 teens and Bekkah TenBrink from LIFT (Leelanau Investing for Teens) joined us. This was mostly a meet and greet and we hope to start getting some input at the next meeting.
