April 8, Storytime
April 15, Storytime
April 21, National Lakeshore Movie in Association with Historical Society
April 22, Storytime
April 28, Birding Program
April 29, Storytime

PROGRAMS

We had a great turnout for the Trivia Night Event at the Old Art Building with 31 people attending. We also had great support from the OAB staff and volunteers. Chelsea is firming up the schedule for children's summer programs and a flyer is included with the board packet.

FRIENDS & VOLUNTEERS

Several members of the Friends are out of town in April so there will not be a meeting this month. There was not a quorum at the March meeting.

BUILDING & GROUNDS

The annual deep cleaning of the library will be done on April 10 by our regular cleaning team, Solutions for You.

TECHNOLOGY

We have added a Wi-Fi access point to the new network to boost the signal outside the building in the parking lot area. I have purchased two new computers. The desktop computer at the checkout desk was not booting so it was replaced with Jake's computer and a new one was purchased for Jake to use. We also replaced the laptop for program use in the Munnecke Room.

BUDGET INFORMATION:

Reports for the end of February and March 2022 are attached with this report. With 100% of the FY elapsed, we have spent 90% of the budget.

MISCELLANEOUS

We received the ARPA grant for digital materials. Included were a web camera and microphone for online meetings and a DSLR digital camera with several lenses and other accessories. I intend to set up the DSLR as a kit to be checked out as a "library of things" item.
